EXECUTIVE SUMMARY

2. Dates for meetings of the full Fire and Rescue Authority, Executive Panel and Audit Committee are as shown in paragraphs 7-11 of this report.

RECOMMENDATION

3. It is recommended that Members:
 - i) agree the dates for meetings of the Fire and Rescue Authority, Executive Panel and Audit Committee; and
 - ii) agree for the constitution to be amended to reflect the fact that the Annual Meeting needs to take place in July, not June as currently specified.

INFORMATION

Fire and Rescue Authority

4. The Standing Order 4(2) of the North Wales Fire and Rescue Authority's (the Authority) Standing Orders says:

"Meetings of the Authority shall take place a minimum of four times per year and the annual meeting shall take place no later than June. These meetings will take place in accordance with a schedule of meetings published by the Authority unless otherwise determined by the Chair in consultation with the Clerk and Chief Fire Officer."

5. Members will be aware that this meeting is, of course, in July. This is so that meetings of the Executive Panel and Audit Committee can be sequenced to fit around the budget process. The Constitution therefore should be amended to reflect the fact that the annual meeting needs to take place in July.

Monday 22 January 2024
Monday 15 April 2024

Report to	North Wales Fire and Rescue Authority – Annual Meeting
Date	17 July 2023
Lead Officer	Gareth Owens, Clerk and Dafydd Edwards, Treasurer
Contact Officer	Gareth Owens (01745 535286)
Subject	Members' Remuneration Scheme

PURPOSE OF REPORT

- 1 To inform North Wales Fire and Rescue Authority (the Authority) Members about the current rates of Member remuneration and to formally approve the schedule of payments made during the financial year 2022/23.

EXECUTIVE SUMMARY

- 2 The [annual report](#) of the Independent Remuneration Panel for Wales (IRPW) sets out changes to members remuneration and this report contains information on those changes that affect members of fire and rescue authorities.

RECOMMENDATIONS

- 3 Members are asked to:
 - (i) note the IRPW's determinations in relation to Members' allowances and remuneration with effect from 1 April 2023;
 - (ii) give delegated authority to the Clerk to update the schedule of Member remuneration within the Authority's constitution and to make any necessary amendments to the 2023/24 schedule from time to time during the municipal year, in order to reflect any changes in membership of the Authority, or as a result of any supplementary reports issued by the Independent Remuneration Panel for Wales; and
 - (iii) to approve the schedule of payments made during 2022/23 as required by the IRPW

OBSERVATIONS FROM THE EXECUTIVE PANEL/AUDIT COMMITTEE

- 4 This report has not previously been considered by Members.

BACKGROUND

- 5 The remit of the Independent Remuneration Panel (IRP) was extended through the Local Government (Wales) Measure 2011. Under the powers provided by the Measure, the IRP has produced a new set of Regulations which came into effect on 1 April 2012. The Regulations apply to payments made to members and co-opted members of local authorities, national park authorities and Welsh fire and rescue authorities.

INFORMATION

- 6 For 2023/24 the Panel has decided to make a modest increase of 4.76% in the basic salary for elected members of principal councils, with consequential increases for members of national park and fire and rescue authorities.

- 7 For fire and rescue authorities the Panel's determinations are as follows:

	2023/24 salary from 1 April 2023	2022/23 salary
Basic salary for FRA ordinary member	£2,482	£2,369
Senior salary for the Chair of an FRA	£11,282	£11,162
Senior salary for the Deputy Chair of an FRA and the Chair of Audit Committee*	£6,222	£6,109

* FRA senior salary can be paid to the deputy chair and up to two chairs of committees where there is significant and sustained responsibility.

- 8 In addition to the above:
- the Panel has determined to include a provision for FRAs to apply for specific or additional senior salaries that do not fall within the current remuneration framework;
 - members must not receive more than one FRA senior salary;
 - an FRA senior salary is paid inclusive of the FRA basic salary and must reflect significant and sustained responsibility; and
 - members of a principal council in receipt of a band 1 or band 2 senior salary cannot receive a salary from any FRA to which they have been nominated. Where this situation applies, it is the responsibility of the individual member to comply.

- 9 The Chair of the Authority is also the Chair of the Executive Panel and can only claim one salary. The Executive Panel and Audit Committee both meet four times per year. Therefore, it is recommended that the Authority continues with its previous decision that the Chair of the Audit Committee will be paid under the category “other committee chair”.

Independent Members

- 10 The fee paid to independent members of the Standards Committee has remained the same. The daily fee is capped at a maximum of 4 full days per year on the following rates:

	2023/24 daily rate from 1 April 2023
Standards Committee Chair	£268 daily fee (£134 for half day)
Independent Member	£210 daily fee (£105 for half day)

Travel, Subsistence and Care Allowance

- 11 There have been no changes to travel, subsistence and care allowances which are in line with Welsh Government rates. Members are reminded that it was agreed at the NWFRA meeting in June 2018 that subsistence can be claimed when members are away from home for five hours or more, this is in line with the HMRC rules.

- **Subsistence**

£28 per day

Day allowance for meals, including breakfast, where not provided in the overnight charge. Must be away for five hours or more to claim subsistence.

- **Accommodation**

£200 per night

London and Cardiff

£95 per night

Elsewhere

£30 per night

Staying with friends and/or family

- **Mileage** rate remains at 45p per mile.

- 12 Members are also reminded that to support current Members and to encourage diversity, and in line with the IRPW's recommendations, the Authority reimburses the cost of care for dependents on production of receipts as follows:
- a. For registered care – actual costs
 - b. For unregistered care - up to a maximum rate equivalent to the Real Living Wage.
- 13 The Authority must also publish each the year the total payments made to each member. The IRPW report states
- “A relevant authority must make arrangements for publication within the authority area of the total sum paid by it in the previous financial year to each member and co-opted member in respect of salary (basic, senior and civic), allowances, fees and reimbursements in a Statement of Payments (in accordance with Annex 4 that sets out the content that must be included in the Publicity Requirements).”
- 14 Appendix 1 to this report sets out the total payments made during 2022/23.
