For the attention of Simon Smith, Chief Fire Officer

Dear Sir

**INSPECTION OF HEALTH AND SAFETY MANAGEMENT AT NORTH WALES FIRE AND RESCUE
SERVICE 01 TO 03 DECEMBER 2009**

I enclose the final version of our report on the inspection of North Wales Fire and Rescue Service.

I would like to take this opportunity to thank you and all your staff for your help and co-operation during the inspection.

As previously discussed, we would now expect the Service to produce an action plan that identifies how and when you intend to implement all the recommendations from the report. We will need to agree a date by which this action plan will be produced.

Please do not hesitate to contact me if you would like to discuss any aspects of the action plan required.

I enclose an additional 2 copies of this report which I ask that you pass on to employee representatives, and the Fire Authority.

I am currently in the process of arranging for a Welsh language copy of the report. I apologise that this is not included at this time.

Yours faithfully

Sean Bembridge
HM Inspector of Health and Safety
