

Control Technical and Project Manager

Control – JCC St Asaph

Permanent, 37 hours per week

NWFRS Grade 09 £40,221 to £43,421 per annum

We are looking to appoint a Control Technical and Project Manager, who will provide specialist technical support and development on the NWFRS Control Systems as directed by the Head of Control in conjunction with the Control Systems Manager.

The successful candidate will ensure that North Wales Fire and Rescue Service gains the benefit of information and communications technology, so that it is used to maximise the efficiency and cost effectiveness. You will be the Project Manager on various Control and ICT department technical projects and will undertake technical project management tasks, research and analysis as directed by the Head of Control. In addition, you will be a point of contact within Control in relation to Control Room Systems security accreditation, policy and procedure.

The successful candidate will have at least two years' experience working on major Control and ICT projects, with experience of contractor management during implementation and delivery phases of projects. If you have knowledge and previous experience of implementing policy, strategy and monitoring performance then we would love to hear from you.

Applicants should have working experience of report production and management information analysis. The post holder must be able to collate and analyse management information and present findings to senior management and be able to present solutions to any problems which may be identified. You may be required to work at different Fire and Rescue Service locations as directed by the Head of Control.

Please note that this post is subject to a successful Police Vetting Level 2 check and satisfactory references. For further details about the role, please refer to the information pack.

To apply, please complete and submit your application pack by email to: recruitment@northwalesfire.gov.wales

Closing date for receipt of application forms is 12.00 noon, 16/10/24

The closing date will be strictly adhered to and no exceptions will apply.

We are an equal opportunity employer and welcome applications from all sections of the community. We are committed to equality of opportunity for all staff and applications from individuals are encouraged regardless of age, disability, sex, gender reassignment, sexual orientation, pregnancy and maternity, race, religion or belief and marriage and civil partnerships.

We welcome correspondence and calls in Welsh and English and we will respond equally to both and will reply in your language of choice without delay. Applications submitted in Welsh will be treated no less favourably than an application submitted in English.
