

**NORTH WALES FIRE AUTHORITY**

**19 JULY 2004**

**Report by the Clerk**

**DELEGATION OF POWERS TO THE CHIEF FIRE OFFICER**

**PURPOSE OF REPORT**

1. To agree revised delegations to the Chief Fire Officer.

**BACKGROUND**

2. Existing delegations to the Chief Fire Officer have built up over time in a rather haphazard fashion. The modernising agenda for the fire and rescue service, including the repeal of Section 19 of the Fire Services Act 1947, the agreement of the authority's first Integrated Risk Management Plan and the introduction of the Fire and Rescue Services Bill, make a review of delegations timely.
3. The Executive Panel considered a report at its meeting on 22 April and agreed to propose the changes set out in the appendix. In line with the Panel's decision, the recommended delegation in respect of personnel matters preserves the status quo.

**RECOMMENDATION**

4. The Fire Authority is invited to agree the revisions to delegations as set out in the appendix.
